WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1908.

MAYSVILLE, KY., WEDNESDAY, OCTOBER 7, 1903.

ONE COPY—ONE CENT.

THE AGE OF THE AUTO.

This life will soon become a thing
Of cylinders and wheels,
Push buttons, dynamos and cogs,
And batteries, and reels.
Each day a man will be aroused
By some unique machine
Which will bring in his clothing, then
Shave him both quick and clean.

Fond lovers, when they feel lured
To softly bill and coo,
Will start a phonograph which asks
"Whose cotsey 'oo is 'oo?"
His pocket phonograph will ask
If she will be his bride—
Her phonograph will breathe the "Yes"
Which waits in its inside.

When mother goes to call on friends,
Or to her club, she won't
Be anxious for the children; she
Will start the auto—"Don't!"
To going in the nursery
And hasten on, serene,
And knowing that she may rely
Upon the spunk machine.

When father comes in much too late
He'll stumble on the stair,
And hear a terse "How come you so?"
Come megaphoning there.
And after while this life will be
Without a thing to do—
Some one will make a grand machine
To press the buttons, too.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Mr. Frank Murphy and Miss Minnie Ray Bravard, both of Fernleaf, will be married tomorrow at Germantown.

The work of installing the new \$2,250 heating plant in the Elks Front street property is now in full bloom.

All Elks who are interested in the new "Home" are respectfully requested to be at tonight's meeting of the Lodge.

The Epworth League of the Third Street M. E. Church will hold its monthly business meeting tonight at 7 o'clock.

Miss Sudie Shepard of this city is captivating the hearts of the ladies of Nicholasville by her artistic taste in trimming bunnets and hats for the elite of that city.

Mr. George S. Werner, the well known Cincinnati Architect, was here yesterday to arrange the final plans for remodeling the late St. Charles Hotel property, converting a portion of the third floor into an Elks Home.

Mrs. Dora McManis of Rothwell, Canada, who has been the pleasant guest of Mrs. John T. Short the past week, returned home today. Mrs. McManis is a finished pianist, and has been complimented by many for her fine music.

A barouche driven by Mrs. William R. Gill of Washington collided with Miss Wood's huggy standing in front of R. B. Lovell's at the corner of Market and Third yesterday afternoon. Aside from a fright for both ladies and a dished wheel to Miss Wood's huggy, no injury was sustained.

This is Barnum & Bailey day. Everything has apparently given way for the occasion—the school children and Cotton Factory employees are enjoying a holiday. Our country cousins and visitors from afar are here in force—in fact the old town is packed with people as it never was before.

Mrs. Emma Jacobs, aged about 30, daughter of Rev. Kidwell of Ewing, committed suicide last evening from despondency. She had been missed for sometime, and in the search a note was found where she informed her friends of her intentions of taking her own life. Her lifeless body was found hanging in the barn.

Lady's 14k Gold Watch \$20; lady's 14k gold filled twenty-five year case \$15; a lady's 14k gold filled twenty-year case \$10. Boy's Watch, Nickle case, stem wind, \$2.50. A Lady's Sterling Silver Watch, Stem Wind, \$5. Gents' Watch at same reduction.

MURPHY, the Jeweler.

Money back if not satisfactory.

APPRECIATIVE EMPLOYER.

Mr. John M. Hunt Entertained His Store Force at Dinner.

In appreciation of cheerful services given during the Herculean labor of moving, Mr. John M. Hunt entertained his entire store force at dinner last night.

At 8 o'clock the guests entered the dining-room, where pink shaded candles marked the acclimation of old glass and silver and royal dahlias nestled everywhere in stately beauty.

The two hours at tables seemed as one, for conversation, under the leadership of the genial host, made time "brisk and giddy-paced."

The meeting of employer and employed, untrammelled by the discipline of business, cannot fail to be fruitful in cementing the interests of both.

It was a happy conception of Mr. Hunt's, and he honored himself in its execution, making it, without a doubt, an occasion of "Hospitality sitting with Gladness."

New Veilings at Mrs. L. V. Davis's.

Dr. George T. Wilson of Bowling Green has been appointed to succeed Mr. Anderson Dimmitt of Louisville as a member of the State Board of Pharmacy, the latter's term having expired.

Board of Trade

Meeting of all officers and Directors called for Friday night, October 9th, at 7 o'clock. We desire a full meeting.

BILLIONAIRE'S POOR STOMACH.

The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers.

Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.

Cartmoll extracts teeth without pain.

Mr. Sidney A. Powell, the Revenue man, is on duty this month at Frankfort.

John J. Disner and George Collins of this county have been in Bourbon for several days looking for farms.

Fred H. Miller of Bracken county and Miss Marguerite Meyer were granted marriage license Monday in Cincinnati.

The marriage of Miss Birdella Megibben of Cynthiana and Dr. Henry Heuser of Louisville, which was set for October 7th, has been postponed until the last of the month on account of the illness of Miss Megibben.

President Hawkins of the Kentucky Burley Tobacco Growers' Association has called a meeting of the Association for Friday at Lexington. He claims he has a company that will finance the scheme to handle the crop this year. It will take about \$7,000,000.

All kinds of School Supplies are sold at Rny's Postoffice Drugstore.

Mr. S. R. Brooks, who started to Hot Springs, Ark., for the benefit of his health, was taken ill at Greencastle, Ind., and returned home Monday night.

Mrs. L. V. Davis is now prepared for the fall trade with a choice line of Millinery, and confidently invites an inspection of correct styles.

The Republicans of the Eleventh Congressional District will have a convention at Middlesboro October 17th to nominate a candidate for Congress to succeed the late Vincent Doreling.

Never compare prices without comparing quality; you will find more difference in quality than you will in price. See our measurements and markers before buying elsewhere. MURRAY & THOMAS.

TOWELS LEAD THE VAN TODAY.

Some of the Most Irresistible Towel News You Ever Read.

It's the innings of the Towels today. We signalize the opening of our new store by a series of splendid towel offerings—towels of sterling quality, towels we fully recommend, towels at notable price concessions. Every reduction set forth below has been newly made today from yesterday's prices and if you are at all familiar with Hunt linen prices you'll know how low those were. Here are Towels for every possible household use—all, of course, linen, except the cotton bath towels. And all at remarkable price reductions. This new linen store of ours is truly the housekeeper's paradise.

HUCKABACK TOWELS—Choosing blindfold among these towels would be safe but to wide open eyes there's delicious satisfaction in picking from the varied styles of towel goodness among the huckabacks. Bleached and unbleached, heavy, sturdy Devon weaves, excellent absorbers, washed and hemmed, all white or bordered. In four sizes at 10c, 12½c, 19c and 25c, the latter substantially hemstitched.

When Buying a Suit or Overcoat

For yourself or boy you naturally want the best for the least money. The best goods are always the cheapest, and as we buy and carry in stock more Clothing than all the other stores in Maysville combined, our large purchases give us advantages that enable us to give you the best of merchandise at no bigger cost than you would probably pay for lower graded clothes elsewhere.

A word about the "Fits" we give you: Perfect fitting garments are desired by everyone, whether he pays \$10 or \$25 for a Suit or Overcoat. Now, "there" is a thing we are more particular about than the majority of our customers. We just WON'T let a garment go out of our house unless we are pleased. See them. We want you to take a glance at the Stein-Bloch Cravenette Coat specially made for us. People who know say it's the handsomest garment they ever looked at. This coat is used both for Overcoat and Raincoat.

If you are going to hunt this season buy a pair of our Milford High Top Shoes. They are strictly (guaranteed) water proof. They sell everywhere for \$6; we sell ours for \$5.

THE HOME STORE. D. HECHINGER & CO.

DAMASK TOWELS—Fine, large, snow white damask towels. Ornamental as well as useful for they are pretty enough to decorate bureau, sideboard and towel rack. 22x40 and only 25c.

BATH TOWELS—"The unspeakable Turk" gave us the idea of bath towels. Put that to his credit at least. Philadelphia produces the best cotton Turkish towels. Their use grows yearly as more and more people realize they are bigger for the price, afford a brisker rub down and are more absorbent than other towels. Four sizes, 5c, 12½c, 15c, 25c.

GLASS TOWELING—Checked glass toweling, pure linen, absolutely lintless, 10c.

ROLLER TOWELING—8c from 10c, bleached and unbleached Scotch, twilled toweling, 16 inches wide, neatly bordered. That all may share this bargain, not more than six yards will be sold one customer.

Other excellent roller towelings at 10c and 12½c reduced from 12½c and 15c. Stevens's genuine pure linen English crash.

DISH TOWELING—From many good numbers we speak of two.

Brown twilled toweling, called the "wear-well," 5c yard. Excellent crash 18 inches wide. Extra good value when regularly sold at 10c, now 7½c yard.

If the Best Shoe Stock in Maysville

Will prove any inducement for you to buy here, then we are assured of a fine trade this fall and winter. You won't find such goods as we offer in every stock in town. Full line of Fottrell, Barker & Brown's solid leather Brogans, acknowledged to be the most serviceable work shoe made. Good, heavy Boots and first class RUBBERS.

The Question

Now is, Who Can Help You Most With Your Fall Shopping?

The answer is partly told in this advertisement, but fully told by a visit to the store. Today's talk will be on ready-made goods, and this department we are especially proud of, for we believe that there are few stores that show and sell the amount of ready-made goods that we do. (Of course we mean towns the size of Maysville.)

LADIES' SUITS.

We are told daily that the best line of Suits in town is here, and at the rate we are selling them there is no doubt of it. Suits from \$10 up, but we are selling more from \$15 to \$35.

CLOAKS.

From the one-day-old to the any age, and while the weather is warm of course you don't feel like buying, but did you know that the best choice is the early one. Almost a thousand garments to select from, and where in Northern Kentucky can you get such a selection? Come and look, even if you are not ready.

MUSLIN UNDERWEAR.

We fit up most of the brides from the five counties around us. Who is more particular than a bride? The best of undergarments are had here and fair prices rule.

SHIRTWAISTS.

In this line even our competitors admit we are supreme. "The Royal," the Queen of the land; the best stores in every town carry it. Prices \$1.49 and up.

WRAPPERS and DRESSING SACKS.

A little department by itself, but hardly an hour passes in the day that some lady isn't made happy by the provision we have made for her home comfort. 79c up, and all out full.

HATS.

Trimmed and ready-to-wear. For the very highest price hats you must go to the millinery store—we are only after the lady that cares to save a few dollars on a hat. \$10 Hats for \$5, and we please you at the start—no coming back to see if it fits.

EVEN MR. BRYAN is so overwhelmed with "business" that he is afraid he can't leave it for a trip to England. Then it's really something more than "apparent prosperity,"—eh, WILLIE?

It is stated that one of the greatest car families in the history of the country is in prospect. Mr. BRYAN, the double-jointed back-action political prognosticator, is respectfully referred to this evidence of "apparent" prosperity.

In the Providence of the Almighty, the dastardly work of Tom CAMPBELL and his employers the GOEBELS will some day be laid bare. There had been already sufficient exposure of the character of their hirelings to satisfy reasoning men of their misrepulsive methods, and the exposure of WILLIAM H. CULTON's forgeries in an attempt to defraud the state was simply "an evidence of good faith" to perform any dirty work that happened to come handy. CULTON was one of several "star witnesses" employed by CAMPBELL and the GOEBELS to swear away the life of CALEB POWERS and other Republicans who were "suspected" of killing Senator GOEBEL. His evidence throughout was a mass of falsehoods, and if given on the other side would have caused his indictment for perjury. At the recent trial at Georgetown CULTON not only proved his ability as a perjurer, but he also held a full hand at forgery. He bought witness claims to the amount of \$1,950.02 and raised the same to the amount of \$2,769.22. Of course, as soon as he had gotten the money on these altered claims he struck out for tall timber; and it is hardly probable that any part of the \$100,000 Blood Money Fund will be used to secure his return. As to his punishment—But what has become of that other "star witness," the Honorable GEORGE FRANKLIN WEAVER, Past Master of Perjury, anyway?

Mrs. W. H. Meyster, known to the theatrical world as Theresia Vaughan, died Sunday at Worcester, Mass., of paresis.

Former Postmaster General Wilson S. Bissell is reported to be dangerously ill of internal cancer at his home in Buffalo, N. Y.

A violent earthquake shock lasting twenty seconds was felt in St. Louis and the sunken lands of Missouri. It traveled from Southeast to Northwest.

Spurgeon & Cassidy, attorneys of Colorado Springs, Col., have filed suit against Harry Stratton for \$50,000, claimed as fee for contesting his father's will, by which he received \$350,000 as his share of the estate.

As the result of a general fight at a street fair in Oxford, O., John and Joseph Spivey, brothers, said to be from Kentucky; Marshal John Woodruff, Deputy Marshal Jacob Manrod and a stranger were wounded. After the fight the Spivey brothers were arrested and taken to Jail. A mob gathered and took John Spivey out and strung him up to a tree. He was let down twice and while pleading with the mob for his life was rescued by officers.

CONSTITUTIONAL AMENDMENT

To Be Voted On at the November Election.

CHAPTER 50.

An act to provide for an amendment to Section 181 of the Constitution of Kentucky.
"The General Assembly may, by general laws only, authorize CITIES OR TOWNS OF ANY CLASS to provide for taxation for municipal purposes, on personal property, tangible and intangible, based on income, licenses or franchises, in lieu of an ad valorem tax thereon;
"Provided, cities of the first class shall not be authorized to omit the imposition of an ad valorem tax on such property of any steam railroad, street railway, ferry, bridge, gas, water, heating, telephone, telegraph, electric light or electric power company."

A Cure For Dyspepsia.

I had Dyspepsia in its worst form and felt miserable most all the time. Did not enjoy eating until after I used Kodol Dyspepsia Cure, which has completely cured me.—Mrs. W. W. Saylor, Hilliard, Pa. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol. Kodol represents the natural juices of digestion combined with the greatest known tonic and constructive properties. It cleanses, purifies and invigorates the stomach. Sold by J. Jas. Wood & Sons, Druggists.

It now develops that the Honorable WILLIAM H. CULTON, M. P.,—Missing Perjurer,—after forging the amounts on a large number of witness claims against the state, gave several bogus checks on the Richmond (Ky.) Banks. And CULTON is only one of several of the same kind of cattle that Tom CAMPBELL and the GOEBELS have hired to swear away the life of the Hon. CALEB POWERS.

THE Kentucky State Fair at Owensboro, after swallowing \$15,000 of the people's money voted it by the Legislature, sent the Owensboro guarantors down into their pockets for \$12,500 more, and the Cincinnati Fall Festival Treasurer just reports that he paid out \$9,000 more than he took in on account of the recent event. This leaves the Maysville Elks still wearing the horns as successful Fair managers.

GOV. BRADLEY'S CALL TO DUTY.

Chairman John C. Wood of the Republican Speakers' Bureau has received the following letter from former Governor Bradley:
Louisville, Ky., October 24, 1908.
Hon. John C. Wood, Chairman Speakers' Bureau:—Sir: Had my health justified I would have spoken for the Republican party before this, and shall certainly speak as soon as able. The best interest of the state requires the election of the Republican ticket, and I trust that no man will be found who is not willing to do his duty.
I hope that no effort will be spared to register the vote in the cities and towns of the Commonwealth, as this is the foundation of success, and in the absence of a full and proper registration we cannot hope to win. Your friend,
W. O. BRADLEY.

ONE of the witness claims "altered" by the Honorable WILLIAM H. CULTON, Perjurer and Forger, was that of Ed. STEFFEY. For twenty-eight days service as witness, \$28, he added the figure 1 in front of \$28, making \$128, and for twenty-three days board, \$46, he added \$146. STEFFEY, it will be recalled, was the messenger boy who was running down street to deliver a "rush" telegram, and who swore that he saw a rifle barrel sticking out of the window of CALEB POWERS's office when GOEBEL was shot;—and if he had been asked, he might have sworn that he saw CALEB POWERS fire the shotgun and that he saw the steel bullet pass through the famous hackberry tree and lodge in GOEBEL's body—notwithstanding the fact that CALEB POWERS was in Louisville when the shot barrel of the rifle gun stuck out of the Northeast window on the Southwest side of the door.

Mr. Lee Dinger, a worthy young man, has gone to Cincinnati to seek employment.

Dieting Invites Disease.

To cure Dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure cleanses the stomach and digestive organs to digest and assimilate all of the wholesome food that one craves to eat, and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat—makes the stomach sweet. Sold by J. Jas. Wood & Sons, Druggists.

THE PAROLE SCANDAL

Speight's Charge That Pardon Was Promised For Money.

TO INCREASE THE BECKHAM FUND

Contribution of Eight Hundred Dollars to Aid Beckham's Election Is Said to Have Been Acceptable to Secure Pardon For Convict Sentenced For Killing.

Mayfield, Ky., Oct. 6.—Political circles here have been stirred up greatly by the Hon. Jesse C. Speight's charge that Governor Beckham agreed to pardon a convict in return for a contribution of \$300 to the campaign fund. Mr. Speight lives here and it is understood that his allusion was to the case of Samuel D. Clark, who was convicted of killing S. B. Carney and sentenced to ten years in prison. Both were prominent and popular citizens of Mayfield and the tragedy caused great excitement here. Clark had strong friends who went to work as soon as he was convicted to obtain a pardon. One application at least was made to Governor Bradley, who declined to issue the pardon.

It has always been understood that Senator Goebel promised the pardon in the event of his election as governor, but of course he had no opportunity to pass on the case.

It has always been understood also that Governor Beckham promised to pardon Clark within 15 days after his election in 1900. He did not do so, and it was not until some months after his election that a parole was issued to Clark, who at once moved out of the state and is now living in Missouri. There has always been more or less gossip connected with Clark's parole. It is said that Governor Beckham was taxed with failing to carry out a solemn promise to pardon Clark, and that he defended himself by saying that he only promised that Clark should be turned out of prison and that the parole met that promise by turning Clark out.

Those who seem to be in a position to know do not hesitate to say that there was quite a sum of money raised to procure Clark's release. The amount, it is said, was originally \$1,350, and it was kept together for more than a year in the effort to free him. What became of the money is the thing that is difficult to discover.

Captain Speight's charge has started gossip afresh. The Hon. Sam Crossland declared at Clinton in a speech Monday that Sam Norman, of this county, had declared that Captain Speight could not prove his charge by him (Norman). Norman was assistant secretary of state under Brown's administration, was once warden of the Frankfort penitentiary and sheriff of this county. He was, and is, a devoted friend of Clark's and has interested himself in trying to get him pardoned. It is believed here that he will yet succeed, if he has not already succeeded, in having a full pardon granted. Clem J. Whitmore, of the Democratic state central committee, and Mr. W. S. Cook, the banker, were also active in the attempts to get the pardon that failed.

The papers on file in the office of the prison board at Frankfort, while many in number, do not make a strong claim for Clark's parole. The paper most to be relied on, and the one which seems an impartial statement of the facts in the case, neither soliciting nor opposing the parole, is Judge J. E. Robbins', who tried the case and who recently served as special judge in the trial of Caleb Powers at Georgetown, under appointment of Governor Beckham. The statement of Judge Robbins summarizes the evidence given at the trial of Clark.

A friend of Captain Speight's said that he had never declared that he relied on Sam Norman to prove his charge, but had said only that he could prove it by good Democratic authority.

Mr. Paris J. Frogg and Miss Minnie Campbell of Shannon were married last night in the County Clerk's office by Judge C. D. Nowell.

Dr. J. C. Molloy returned last evening from Memphis, and will conduct the usual prayer meeting service at the Central Presbyterian Church tonight.

Secretary of State Hill has received orders for election-ballot paper from 102 of the 119 counties of the state and has filed these orders with the state paper contractors.

William Ross, a resident of the Fleming pike, was arrested and placed in Jail yesterday on a charge of attempting to poison his wife and baby. His trial is set for 10 o'clock this morning.

Up to the present time Mr. E. J. Hunter has secured over \$2,200 in subscriptions to the proposed new railroad between Flemingsburg and Wellsburg on the C. and O., the money to be paid in all cases when the road is finished and trains are running between the two points.

The Mirror, published at Elizabethtown, has the following of a former Mason county young man: "Bro. Charles R. Vawter, Pastor of the Elizabethtown and Glendale Christian Churches, returned last Friday from Paris, Ky., where he attended the state convention of Christian Church. He is mentioned by The Paris Democrat as being one of the brightest young Ministers in attendance at the convention."

Yesterday Rube Sullivan, a 12-year-old lad, son of William Sullivan of the East End, was seriously injured by his own carelessness. While one of the telephone men was about to climb a pole the boy caught hold of the belt worn about the man's waist and held on. After ascending the pole about eight feet both fell to the ground, the spikes worn by the Electrician making two ugly wounds in the boy's leg besides the injury from the fall. He was carried home and a physician summoned.

CROWDS GALORE!

Maysville Thronged With Visitors to the Biggest Show on Earth.

The thousands of Maysville and Mason county people who spread themselves along the route of the Barnum & Bailey Circus parade this morning and witnessed the processional wonders of the display, were fully convinced that they had at last seen the "Greatest Show on Earth." Nothing to equal the parade, either in the way of magnitude or novelty, has ever been seen here.

The show came in five sections, via C. and O., direct from Cincinnati where it showed to tremendous business Monday and Tuesday and made a most pronounced hit. The trains were unloaded near the show grounds on East Second street. It took less than four hours to erect the great city of canvas.

The first big event of the day was the parade.

The crowd waited for it with intense expectation. In some places locomotion was almost impossible owing to the throngs of people. A great team of forty horses led the way and drew the brightest, prettiest, most gorgeously carved and decorated hand wagon ever devised. The horses were harnessed in ten rows four abreast. In spangled banners of gold and scarlet, they responded to the lightest pull of the reins as readily as a single team. The driver is an expert at the business. Though the number of reins which he is obliged to hold is enormous, he handled them in a clever manner and not even in turning corners did he experience any difficulty, much to the surprise of the crowd, who expected to see trouble when a turn was attempted.

The animal section followed close behind the band chariot. As an exhibition of wild and rare animals, gathered from every quarter of the globe, it is undoubtedly the best collection in any circus. Two Royal Bengal tigers, snarling fiercely from behind iron bars of a cage, were the best feature. Following, were floats in many colors and with various decorations emblematic of the several countries which they represented. Close behind the floats were the elephants and camels—a great collection, including some of the best specimens in captivity. Horsemen and clowns were distributed at large through the parade and other features went to make up a complete exhibit of everything known to the circus business.

The doors were opened at 1 o'clock, and there was an immense crowd waiting to get in. The hour before the beginning of the show was spent in studying the exceptionally fine zoological display, in watching the members of the freak congress, which is made up of strange and curious people from all parts of the world, in enjoying the vaudeville entertainment given by the Russian dancers and the Horvath troupe of midgots, and in listening to the concert by Karl Clair's great military band. The performance followed, and is undoubtedly making a great hit. It opened with a new spectacle and ballet, which in turn was followed by a great triple ring circus. The hippodrome races bring the performance to a close. It is a great circus. There will be no night show, as the circus has a long run to Lexington.

He Learned a Great Truth.

It is said of John Wesley that he once said to his friend Wesley: "Why do you tell that child the same thing over and over again?" John Wesley, because once telling is not enough. It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. Miss Bertha McKellup has given up her position in Cincinnati to take the place of Miss Vleeroy, who resigned several days ago, at the Keystone Commercial Company.

Independent tobacco buyers in the Owensboro district are alarmed over the situation brought about by the operations of the American Tobacco Company and the Imperial. Owensboro strip dealers have 100,000 hogheads of unsold tobacco in London and Liverpool. Some of them will be forced out of business.

The County Convention of the Mason County Branch of the Kentucky Sunday-school Association will be held in the Christian Church in this city Saturday and Sunday, November 7th and 8th.

It is requested that Sunday, October 25th, be observed by all the Churches in Mason county as Sunday-school " Rally Day." See how many new scholars can be brought in on that day. The Pastors and Superintendents are requested to report the results. On this day select your delegates to the County Convention. One delegate from each school.

River News

The gauge reads 3.8 at this point and falling.

Captain Harvey Robb has been appointed to succeed Captain D. W. Woodward as the commander of the Harvester of the A. R. Budd Coal Company.

Captain Frank Gilmore, Jr., succeeds Captain Lon Craig as Commander of the Steel Queen. He is one of the youngest towboat Captains and Pilots on the river.

The management of the Big Sandy Packet Company has secured the steamer Vincennes to take the place of its heavy draft boats and will place her in the Cincinnati-Manchester trade during the low water season.

The Albany of the Marmet Company is at the Queen City Marine Ways awaiting an opportunity to be pulled out and have some repairs made. The principal repair will be the replacing of a cylinder which has been cracked.

The New Orleans Picayune says: "The local inspectors have just completed their report of the number of passengers carried in this district during the quarter ended June 30th, 1903, which shows that the various vessels handled a total of 647,732 people."

The river is getting very low from Cincinnati to Pittsburgh and none but the very lightest boats are running. If rain and a rise does not come soon navigation will be entirely suspended. The sidewheel Cincinnati packets continue to run regularly and the Evansville packets are doing well.

Captain J. F. Ellison, President of the Chamber of Commerce and Superintendent of the Cincinnati and Pittsburgh Packet Company, has been empowered by Mayor Julius Fleischmann to appoint delegates to the Mississippi Levee Convention, which will be held in New Orleans on October 25th and 26th. Captain Ellison will submit his list of names of delegates on Tuesday of next week for approval.

The mines of the Monongahela River Consolidated Coal and Coke Company, above Pittsburgh, will be closed down in a few days unless the river rises. Nearly all the boats and barges of the company were sent South during the last rise, and before they could be returned the river dropped too low for navigation. Strings of barges and boats are tied up a few miles below the city, and the miners have filled every available ear and boat in the up-river pools.

George Deschamps Fry, aged 93, who for many years was connected with the river interests of Cincinnati, was buried from the home of his son in that city yesterday. Mr. Fry was for many years Treasurer of the Champion Coal Company, of which the late Vincent Shinkle was the head. Mr. Fry was a gentleman of the old school and had a host of friends between Pittsburgh and New Orleans. He was one of the founders and one of the last of the political party which late in the '50s was known as the Free Sallers.

Do Good—It Pays.

A Chicago man has observed that "Good deeds are better than bad estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it, for it has helped me out many a time." Sold by J. Jas. Wood & Son.

COTTAGEVILLE.

Work is progressing on our new School building.
Our back to Manchester has layed off indefinitely.

F. T. Tully and wife of Manchester were here Sunday.

Mr. J. H. Weaver has purchased the Campbell farm.

Shoriff Bowman of Vanceburg was transacting business here last week.

Mr. Marshall Calvert of Illinois has purchased the Henry Deatley farm East of here.

The Ebenezer Church has extended a call to Rev. T. F. Walton to become its Pastor.

The Manchester Signal says that Mr. J. C. Boyd and Miss Lizzie McCarahan of this place were married at Manchester September 17th.

The alleged groom and bride have been endeavoring to keep the fact of their wedding a secret and are still living at their respective homes.

This wedding is somewhat romantic, as the two were sweethearts when they were school mates together, but after they drifted out on the sea of life Mr. Boyd married Miss Sydye Shoben and moved to Mason county.

Some time after the death of his wife, Mr. Boyd returned to this place, renewed his acquaintance, friendship and love with Miss McCarahan, which this time resulted in wedlock. Mr. Boyd is a cultured, highly respected and prosperous farmer. His bride is a daughter of Mr. and Mrs. John McCarahan and is one of the most refined and accomplished young ladies of Lewis county. May joy and prosperity be their lot in life and may flowers and sunshine brighten their pathway.

We tobacco growers are wondering if the Burley Tobacco Growers Association will be in evidence when our tobacco is ready to be delivered.

Mr. and Mrs. H. C. Stone and daughter report a very enjoyable time during a week's stay among their brethren, relatives and friends in Bourbon county.

The drought is still prevailing, that is, not enough rain yet to be of much help to the grass, which is about all eaten off to the roots, and on account of the scarcity of provender some are compelled to dispose of their surplus stock even at a sacrifice. As evidence: Mr. Clay Stone went to the field to get a load of feed—prematured corn—filling his wagon with all lengths from six inches, which had to be pulled, to about four feet, and when set on end the tassels just showed above the head.

Last Saturday was school election, the result of which reminds us that when we elect men to office and they carry out selfish principles contrary to the interests of those concerned, we are consoled by the knowledge that we can remedy the imposition by our say at the polls. As a free people, we in that way can have anything we choose, though sometimes it may not be until extreme measures are imposed upon us that we are stimulated to act more decisively in self defense. In the meantime, it is well to forbear and obey the injunction in the scriptures "Be subject to the powers that be."

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

THERE ARE MANY sleekly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded

Mrs. Laura S. Webb.

the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering.
